THE LEGACY LINE

Proven pocket profiles. Our sharpest pricing.

The Legacy pockets are recessed ceiling pocket extrusions from our earlier tooling. They are proven commercial profiles, and we carry them in deep stock.

Because the stock is already on our shelves, we can offer these pockets well below our standard pocket program pricing. They are a smart fit for budget driven bids, value engineering, and matching existing installs that already use these profiles.

This is not a closeout. Every size is supported, pairs with our standard AP closures, and ships from stock while supplies last.

In stock now

Shipped from our warehouses. No waiting on a production run.

Value priced

Our lowest pocket pricing. Ask your SBM rep for a quote.

Clean, flush look

No lip profile only. Finished in white.

Works with AP closures

2" and 3" SBM AP Closures snap into place.

Field cut

Aluminum extrusion cuts on site for an exact fit.

End caps available

Available for all three sizes by special order.

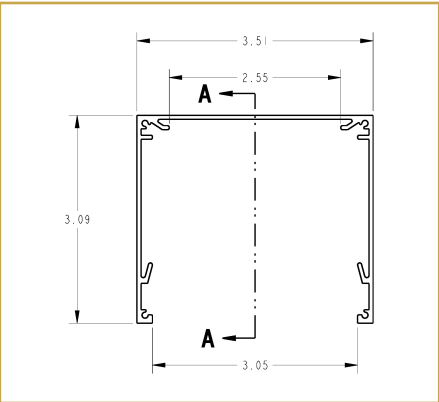

While supplies last. Quantities are limited by size and length. Confirm stock with your SBM rep before you lock in a spec.

CLOSURES AND ORDERING

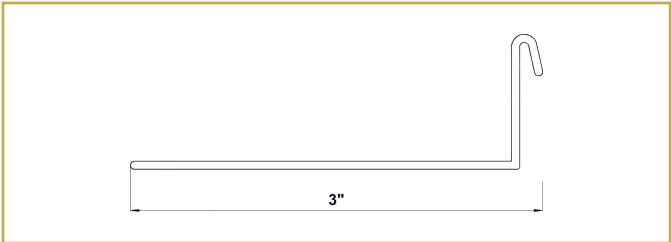

Finish the pocket

Legacy pockets take the same removable bottom closures as our AP Series. The closure hides the shade roll from below and pops out for service.

SBM 2" AP Closure

Fits the Legacy 3", 4" and 5". Powder coated white aluminum, field cut to length.

SBM 3" AP Closure

Fits the Legacy 5" for a wider shade opening. Powder coated white aluminum, field cut to length.

COMPATIBILITY				
Pocket	2" AP Closure	3" AP Closure	End caps	Shades
Legacy 3"	Yes		Special order	1
Legacy 4"	Yes		Special order	1
Legacy 5"	Yes	Yes	Special order	1 or 2
