S45 RB09 CHAIN CONTROL

Step into the future with Rollease Acmeda's flagship RB09 chain control system. Utilizing the very latest in technology, the RB09 brings over twenty years of experience into one cutting edge design. The RB09 sets the benchmark for performance, function, aesthetics, with faster assembly time, easy installation, best in class operation and a slender, high gloss finish. With a wide range of options as add-on features, the RB09 is one of the most comprehensive manual roller systems on the market.
