The Balmoral Collection offers color matched **Light Filtering and Blackout** options to complement the style throughout the home.

Balmoral is a contemporary fabric range for designers, which, unlike other fabrics, offers a sophisticated decorative and complex weave to suit a variety of applications. Balmoral is perfect for dual or single shade roller or roman applications and is available in a versatile 118" width.

Balmoral is available in 10 colors, bringing a seamless look that will integrate into any interior. Achieve privacy in all light conditions, day or night, while maintaining a premium look and feel in your home.
