ABOUT YOUR PROGRAM This is a <i>customized</i> program. If your customer requires an alteration to the standard specifications, please call our Customer Service Department. Special quotes are available upon request. Items manufactured outside of the standard specifications may take additional manufacturing time and cancel warranty. We reserve the right to refuse any special request. <b>CANCELLATION OF ORDERS</b> Once production has begun (usually within hours after order is received), the order CANNOT be cancelled. If the order has NOT BEEN STARTED, request a "Cancellation Number" and keep that number on file.				3		LO	<ol> <li>Inside installation needs deductions. From ordered blind width factory will deduct 1/2" off slat measurement and 3/4" off headrail (to accommodate the installation brackets)</li> <li>If no position is specified, blind will be shipped with tilter cord/wand on left &amp; lift cord on right. 2-3/8" Wood with cord tilter only.</li> <li>Spacer Blocks available for all horizontal blinds. If more than one Spacer Block per bracket is required, list in "Special Instructions" section the # needed per bracket. Maximun of 3 per bracket. 3/8" spacer blocks come automatically with 2-3/8" Wood.</li> <li>OPTIONS FOR WOOD Please fill in your desired options using the abbreviations below: LightSOUt. No charge option.</li> </ol>
