

OVERVIEW: RB09 CHAINWINDER

Step into the future with Rollease Acmeda's flagship RB09 chain control system. Utilizing the very latest in technology, the RB09 brings over twenty years of experience into one cutting edge design. The RB09 sets the benchmark for performance, function, aesthetics, with faster assembly time, easy installation, best in class operation and a slender, high gloss finish. With a wide range of options and add-on features, the RB09 is one of the most comprehensive manual roller systems on the market.

AESTHETIC FEATURES

- High polished finish
- Reduced light gaps

ASSEMBLY / INSTALLATION BENEFITS

- New two piece snap-lock winder assembly
- Reduce chain assembly time by up to 75%
- 10mm plastic idler pin, extendable in 1mm increments
- Comfort grip release wheel
- Advanced snap lock booster fitment
- Self-locking installation feature (see figure 1.1)

FUNCTIONAL BENEFITS

- Smoother operation
- Increased load capacity
- Patent protected
